In executing and delivering the Contract of Sale, purchaser has not relied upon nor been induced by any statements or representations of any person, including the Substitute Trustees, the secured party, the note holder or an affiliate or their respective servicers, heirs, personal and legal representatives, agents, employees, successors and assigns (collectively, "Released Parties"), in respect to the condition of the property, including the environmental condition of the property, unless such representations or statements are specifically set forth in the Contract of Sale. Purchaser has not relied on anything in the foreclosure advertisement, but rather has relied solely on such investigations, examinations or inspections of the property as purchaser has made. Purchaser waives and releases the Released Parties from any and all claims the purchaser or its successors and assigns may have now or in the future may have relating to the condition of the property. Purchaser acknowledges and agrees that this provision was a negotiated part of the Contract of Sale and serves as an essential component of consideration for the same. The parties specifically acknowledge and agree that this clause bars all claims by purchaser against Released Parties, arising from the condition of or releases from the property pursuant to the Comprehensive Environmental Response, Compensations and Liability Act of 1980, as amended, and all other actions pursuant to federal, state or local laws, ordinances or regulations for any environmental condition of or releases from the property. Further, purchaser agrees to indemnify Substitute Trustees for any liability they may have to any third party for an environmental condition of the property. Notwithstanding the parties' intent that this clause bars all such claims, should a court of competent jurisdiction deem otherwise, purchaser agrees that the presence of this clause should serve as the overwhelming, primary factor in any equitable apportionment of response costs under applicable federal, state or local laws, ordinances, or regulations."
